v.

DONALD J. TRUMP, et al.,

Defendants.

Case No. [25-cv-03698-SI](#)

**ORDER DENYING PRO SE NON-
PARTY'S MOTION FOR LEAVE TO
ELECTRONICALLY FILE**

Re: Dkt. No. 114

The Court received an application for leave to submit electronically an *amicus curiae* statement from a pro se non-party, filed on the docket on May 16, 2025. *See* Dkt. No. 114. The Court appreciates the initiative of the applicant to provide the Court with possibly relevant information, but respectfully denies the pro se non-party leave to file electronically on the docket. The applicant may submit a motion to file an *amicus* brief by mail to the Clerk's office. The applicant is encouraged to reach out to counsel for all parties to determine their position on such a motion before filing.

IT IS SO ORDERED.
